

PROTECT YOUR COMPANY THROUGH A WAGE AND HOUR WEBINAR

Wage & Hour Division is adding 250 new field investigators!!

The new investigators will hit the streets very soon!!

Personal injury attorneys advertising on television about overtime violations!!

Wage and Hour lawsuits at an all time high!!

CAN YOU SURVIVE A WAGE & HOUR INVESTIGATION??

Here are some of the things we have been seeing lately;

- A massive increase in wage and hour claims
- Employees working “off the clock”
- Misclassification of employees as exempt when they should be non-exempt
- After layoffs, changes to duties employees who were once exempt
- A misunderstanding of rules regarding breaks, travel, training time and travel
- Offering comp time instead of overtime

This Webinar Will Give You The Tools to Keep Your Company Safe from complaints, plaintiff attorneys and lawsuits

Learn what the Wage and Hour Division looks for when conducting an investigation.

About the Speakers

Mark A. Addington focuses his practice primarily on employment litigation, including defense of wage and hour complaints, harassment, retaliatory discharge, disability, age, religion, race, and sex discrimination. He has also responded to charges of discrimination filed with federal, state and local administrative agencies. He counsels employers in problem prevention, employee discipline and termination, and employment discrimination and harassment.

Bob McKenzie is President of McKenzieHR and certified as a Senior Professional of Human Resources (SPHR) with over 30 years of human resources management experience. His background includes a wide range of hands-on HR practices including employment compliance, training and development, writing Affirmative Action Plans, compensation and incentive program implementation, performance management systems, recruitment, employee relations, union avoidance and labor contract negotiation.
